

CITY OF DANVILLE, VIRGINIA

VSMP MS4 GENERAL PERMIT

PROGRAM PLAN

GENERAL PERMIT REGISTRATION NUMBER VAR040018

JANUARY 2009

Municipal Separate Storm Sewer System (MS4) Program Plan.

The Environmental Protection Agency's Phase II Stormwater Regulations require localities that operate small MS4s in urbanized areas to develop a stormwater Program Plan and apply for permit coverage to discharge stormwater. The City of Danville is considered a Phase II community with a small MS4.

The MS4 Program Plan and Annual Report can be reviewed at <http://www.danville-va.gov> . (go to City Services – Public Works – Engineering – Stormwater Pollution – Municipal Separate Storm Sewer System). This plan and its annual report can also be reviewed at the Engineering Department (Room 211 in the Municipal Building).

We welcome your comments! You can email comments or suggestions concerning this plan to dunevbl@ci.danville.va.us
