FY 2022-2023 Plaining & Resurfacing

ADDENDUM #4

1. Please note the following question received and answer:

a) **Question:** How long can the streets be left milled before paving is required?

Answer: The contractor shall commence resurfacing operations within 5 days of the start of milling operations unless otherwise approved by the City of Danville.

An example would be if the contractor starts milling a street on Thursday, resurfacing operations on that street shall start no later than the following Monday.

END OF ADDENDUM #4.
